

APOGEE ADVENTURES

2023 Alaska Mountains & Coast

Packing List

Please find the packing list for our *Alaska Mountains & Coast* (AKMC) trip below. As always, be in touch with any questions about the items on this list, where to find them, or packing questions.

Hiking Essentials

- ❑ **Sturdy, well-broken-in* hiking boots** (*medium weight with good ankle support - all-leather uppers or a supportive synthetic exterior that are appropriate for one week of backpacking on moderate terrain. *The importance of breaking in your boots ahead of time cannot be overstated – your trip could be cut short by bad blisters.*)
- ❑ **Backpack** (*internal frame backpacks should be 65-75 liters / 3500-4500 cubic inches – **65 liters is the minimum size** – and suitable for 3-4 days of backpacking. Please make sure to have the pack adjusted to fit you. Osprey and Gregory are recommended brands.*)
- ❑ **Medium to large duffel bag** (*soft-sided, 90-120 liters – this will act as a storage locker. A hard-bottomed rolling duffel is fine.*)
- ❑ **Safety whistle with lanyard** (*to wear around your neck. The whistle that is connected to many backpacks' sternum strap is not sufficient – you will need a separate whistle that can be carried with you at all times*)

Optional

- ❑ Daypack (*25-35 liters / 1600-2200 cubic inches – most school backpacks fall in this range and work fine*)
- ❑ Telescoping hiking poles (*Leki is a recommended brand*)
- ❑ [2.5- to 3-liter hydration reservoir](#) (*just the reservoir to be inserted into backpack - Camelbak or Osprey are recommended brands*)

- ❑ 2-3 Pairs of shorts (*synthetic - not heavy, cotton cargo shorts*)
- ❑ 5-6 Pairs of underwear, 3-4 Sports bras (*as necessary*)
- ❑ 5-6 Pairs of socks (*synthetic or wool blend socks – do not bring cotton. Smartwool and Darn Tough are recommended brands*)

- ❑ 1 Wool or synthetic long underwear top and bottom (*medium weight, long sleeve – do not bring cotton*)
- ❑ 1 Medium-weight fleece or synthetic hooded sweatshirt
- ❑ 1 [Medium-weight, down or synthetic fill, packable, insulating jacket](#)
- ❑ 1 Weatherproof shell jacket (*should be made of coated nylon, Gore-Tex, H2NO, or another wind- and waterproof material*) – Note that **water resistant** is not **waterproof**; water resistant is insufficient.
- ❑ 2-3 Pairs of lightweight casual pants
- ❑ 1 Pair of waterproof rain pants
- ❑ 1 Pair of fleece or fleece-lined pants
- ❑ 1 Fleece or wool hat
- ❑ 1 Pair of wool or synthetic mittens or gloves (*waterproof is highly recommended*)

- ❑ 1 Baseball cap or sun hat
- Optional**
 - ❑ 1 Pair of pajamas (*a cotton t-shirt and boxer shorts work well*)
 - ❑ 2 Pairs of liner socks (*for helping to prevent blisters*)

Camping Essentials

- ❑ Synthetic, medium weight, mummy sleeping bag (*20° temperature rating - it should be compressible and weigh no more than 3.5 pounds*) – *please note that given the frequently wet conditions in Alaska, we highly recommend synthetic sleeping bags over down-filled bags.*
- ❑ [Waterproof compression/stuff sack for sleeping bag](#)
- ❑ [Inflatable](#) or [closed-cell foam](#) sleeping pad – Closed-cell foam pad should be no larger than 1 ½" x 30" x 72" when unrolled (*Thermarest and Big Agnes are recommended brands*)

- ❑ Backpacking chair (*Crazy Creek and Helinox are recommended brands*)
- ❑ Camping pillow (*inflatable or very compact – note that a sleeping bag stuff sack filled with clothes works well, too*)
- ❑ 2-3 Lightweight, waterproof dry sacks of varying sizes (*1-5 liters for organizing toiletries, clothes, etc. Sea to Summit is a recommended brand.*)
- ❑ Personal [Bug Net](#)

Recommended stores and websites for good deals and selection on gear

- ❑ Eastern Mountain Sports (www.ems.com)
- ❑ REI (www.rei.com)
- ❑ LL Bean (www.llbean.com)
- ❑ Amazon (www.amazon.com)
- ❑ Other local outdoor gear co-ops or second hand stores (e.g. Goodwill)

Just as important as what your child packs, we also want to specifically address items your child *should not* bring with them to their Apogee experience. **Please do not pack the following:**

- ❑ **Smart watches, Kindles, video games, or other electronic devices.** A cell phone is permitted for students traveling to the trip start by airplane, bus, or train but must be handed over to leaders upon arrival. If a student brings a cell phone, Apogee is not responsible for its damage or loss under any circumstances. *Please see our “Electronics, Cell Phones, and Other Contraband Policy” document for more information.*
- ❑ **Bulky cotton items like sweatpants or denim clothing such as jeans.** They are heavy, take a long time to dry when wet, and can be dangerous in cold weather. Synthetic clothing is much more practical. It wicks moisture away in hot conditions and keeps you cool. In cold, wet conditions it will keep you dry and warm.
- ❑ **Knives or multi-tools of any kind.**
- ❑ **More than is suggested on the packing list.** Through years of experience, we feel confident that we recommend sufficient gear and clothing while minimizing unnecessary items. In general, students will have an opportunity to do laundry once while on trip.

Packing Instructions

Packing Instructions:

1. Please label everything with your child's name
2. Please pack your child's belongings (including their empty hiking backpack) into the duffel. The trip leaders will oversee packing for each portion of the trip.
3. The majority of this trip is van-supported - meaning that students will be transported from point to point in a van. With the exception of the backpacking portions of the trip, your child will keep their day-to-day belongings in their duffel bag over the course of the trip. During the backcountry sections, students will pack items into their hiking backpack (packing for the backcountry will be thoroughly explained by the leaders). Anything not necessary for the backcountry portions can be stored in duffels.
4. **If your child is flying:**
 - Please pack the day pack with a change of clothes, any important medication, and a water bottle. The day pack will act as their primary carry-on item on the plane.
 - Students should carry-on their sleeping bag (as a personal item). We ask this so that your child has something to sleep in if their bag does not arrive on time.
 - Students should wear their hiking boots for plane travel.
 - Everything else should be packed in the duffel and the duffel should be checked.
