

APOGEE ADVENTURES

2023 Golden State Adventure

Summarized Itinerary

Trip Begins: San Francisco, California

Trip Ends: San Francisco, California

Days 1-2: Our group will meet at the San Francisco Airport this afternoon. After the last bag has been collected, we'll load up our van and head north of the city to rural Marin County. We'll spend our first evening together getting to know one another, playing games, and talking about our trip. On our first full day together, we'll hit the trails to take in our first glimpse of the beautiful coastline.

Day 3: We'll start Day 3 bright and early at Point Reyes National Seashore, where we'll meet our professional kayaking guides. After a thorough safety briefing, we'll hit the water to paddle along the protected coastline of Tomales Bay, with a keen eye out for the wildlife for which the area is famous. After a full day on the water, we'll head back to basecamp.

Day 4: On Day 4, we will make the miles of trails in Point Reyes National Seashore our playground. We'll head out for a full day hike to explore the beautiful coastal bluffs and Douglas Fir forests, and maybe visit the iconic Point Reyes Lighthouse. Chances are good we might even fit in a quick post-hike visit to our favorite local bakery before making heading south towards Big Sur.

Days 5-6: From our new basecamp in the redwoods near Monterey, we'll enjoy all that this famous coastline has to offer. We'll have the option to day hike in Big Sur State Park, explore any of the charming coastal beach towns, and enjoy some more relaxing beach time.

Days 7-9: Our last full days together will be spent taking a surf lesson with professional instructors in Santa Cruz, working on a community service project with the park rangers at Half Moon Bay State Beach, and exploring San Francisco by foot. We will finish our trip by celebrating our accomplishments with a festive dinner out, topped off by dessert in Ghirardelli Square. On the last morning of the trip, we will transfer back to the San Francisco Airport for pickups and flights home. We'll part with hugs and promises to keep in touch with new friends.
