## 2024 Maine Coast Junior Packing List

Please find the packing list for our *Maine Coast Junior* (MCJ) trip below. As always, be in touch with any questions about the items on this list, where to find them, or packing questions.

Please review our [Gear Recommendations](#) blog post with our more specific recommendations for many of the items on the packing list.

### Hiking Essentials

- ❑ **Sturdy, well-broken-in hiking boots or hiking shoes** (*not running or basketball shoes – see our blog on [hiking footwear](#) if you have questions about what is appropriate.*)
- ❑ **Medium to large duffel bag** (*soft-sided, 90-120 liters – this will act as a storage locker. A hard-bottomed, rolling duffel is fine.*)
- ❑ **Day pack** (*25-35 liters / 1600-2200 cubic inches – most school backpacks fall in this range and work fine*)
- ❑ **Safety whistle with lanyard** (*to wear around your neck*) - *The whistle that is connected to many backpacks' sternum straps is not sufficient – you will need a separate whistle that can be carried with you at all times.*

### Biking Essentials

- ❑ 1 Fitted bike helmet (*please read our [blog entry on helmets](#)*)

### Clothing Essentials (Check out our [Gear Store](#) for Apogee-branded apparel and gear)

- ❑ 1 Waterproof shell jacket (*should be made of coated nylon, Gore-Tex, H2NO, or another wind- and waterproof material*) – *Note that **water resistant** is not **waterproof**; water resistant is insufficient.*
- ❑ 1 Pair of leggings or lightweight, synthetic pants
- ❑ 1 Swimsuit
- ❑ 1 Fleece or wool hat
- ❑ 1 Pair of wool or synthetic mittens or gloves
- ❑ 1 Pair of lightweight sport sandals with heel strap for around camp, swimming, and kayaking

Remember to check out our [Gear Recommendations](#) blog post for links to many of the items on this packing list!

Just as important as what your child packs, we also want to specifically address items your child *should not* bring with them to their Apogee experience. **Please do not pack the following:**

- ❑ **Smart watches, Kindles, video games, or other electronic devices.** A cell phone is permitted for students traveling to the trip start by airplane, bus, or train but must be handed over to leaders upon arrival. If a student brings a cell phone, Apogee is not responsible for its damage or loss under any circumstances. *Please see our “Electronics and Personal Property Policy” document for more information.*
- ❑ **Bulky cotton items like sweatpants or denim clothing such as jeans.** They are heavy, take a long time to dry when wet, and can be dangerous in cold weather. Synthetic clothing is much more practical. It wicks moisture away in hot conditions and keeps you cool. In cold, wet conditions it will keep you dry and warm.
- ❑ **Knives or multi-tools of any kind.**
- ❑ **Other bulky items like blankets, stuffed animals, etc.**
- ❑ **More than is suggested on the packing list.** Through years of experience, we feel confident that we recommend sufficient gear and clothing while minimizing unnecessary items.

### Packing Instructions

#### **Packing Instructions:**

1. Please label everything with your child's name
2. Please pack your child's belongings into the duffel. The trip leaders will oversee packing throughout the course of the trip.
3. This trip is van-supported - meaning that students will be transported from point to point in a van. Your child will keep their belongings in their duffel bag over the course of the trip.
4. **If your child is flying:**
  - Please pack the day pack with a change of clothes, any important medication, a water bottle, and your child's bike helmet. The backpack will act as their primary carry-on item on the plane.
  - Students should carry-on their sleeping bag (as a personal item). We ask this so that your child has something to sleep in if their bag does not arrive on time.
  - Students should wear their hiking boots for plane travel.
  - Everything else should be in the duffel and the duffel should be checked.
