Recommended stores and websites for good deals and selection on gear

- ❑ Amazon (www.amazon.com)
- ❑ Other local outdoor gear co-ops or second hand stores (e.g. Goodwill)

Just as important as what your child packs, we also want to specifically address items your child *should not* bring with them to their Apogee experience. **Please do not pack the following:**

- ❑ **Smart watches, Kindles, video games, or other electronic devices.** A cell phone is permitted for students traveling to the trip start by airplane, bus, or train but must be handed over to leaders upon arrival. If a student brings a cell phone, Apogee is not responsible for its damage or loss under any circumstances. *Please see our “Electronics and Personal Property Policy” document for more information.*
- ❑ **Bulky cotton items like sweatpants or denim clothing such as jeans.** They are heavy, take a long time to dry when wet, and can be dangerous in cold weather. Synthetic clothing is much more practical. It wicks moisture away in hot conditions and keeps you cool. In cold, wet conditions it will keep you dry and warm.
- ❑ **Knives or multi-tools of any kind.**
- ❑ **More than is suggested on the packing list.** Through years of experience, we feel confident that we recommend sufficient gear and clothing while minimizing unnecessary items. In general, students will have an opportunity to do laundry once while on trip.

Packing Instructions

Packing Instructions:

1. Please label everything with your child's name
2. Please pack your child's belongings into the duffel. The trip leaders will oversee packing throughout the course of the trip.
3. This trip is van-supported - meaning that students will be transported from point to point in a van. Your child will keep their belongings in their duffel bag over the course of the trip.
4. **If your child is flying:**
 - Please pack the backpack with a change of clothes, any important medication, and a water bottle. The backpack will act as their primary carry-on item on the plane.
 - Students should carry-on their sleeping bag (as a personal item). We ask this so that your child has something to sleep in if their bag does not arrive on time.
 - Students should wear their hiking boots for plane travel.
 - Everything else should be packed in the duffel and the duffel should be checked.
